Florists on Wheels

Sharing the streets with food trucks are members of the latest mobile business trend: flower trucks! Bringing fresh-cut blooms to farmers' markets, craft fairs, private parties and other public events, these floral fleets allow customers to assemble their own unique bouquets on the spot. Since many flower trucks are refurbished from vintage vans, campers, pickup trucks and buses, they offer additional aesthetic appeal for folks wanting to snap a springtime photo for social media.

Welcome, We're Glad You're Here!
