Florists on Wheels

Sharing the streets with food trucks are members of the latest mobile business trend: flower trucks! Bringing fresh-cut blooms to farmers' markets, craft fairs, private parties and other public events, these floral fleets allow customers to assemble their own unique bouquets on the spot. Since many flower trucks are refurbished from vintage vans, campers, pickup trucks and buses, they offer additional aesthetic appeal for folks wanting to snap a springtime photo for social media.

Call of Remembrance

The 24 notes that sound out the bugle call known as taps will be played at numerous events this Memorial Day. The solemn melody has been around since the Civil War, when it was adapted from existing bugle calls that signaled the end of the day. Upon hearing the call, soldiers knew to extinguish their lamps and get ready for bed.
