### Farewell to Summer

Observed on the first Monday in September, Labor Day recognizes the achievements of American workers. Many people consider Labor Day the end of the summer season and organize cookouts and other outdoor events. The week of Labor Day also marks the start of the National Football League's regular season.

### Social Strolls

Set aside specific times each week to take a walk with different friends. You'll get the benefits of a low-impact, cardiovascular workout while staying in touch with those near and dear to you.

### Memorable Melody: '9 to 5'

Dolly Parton wrote this anthem about the workday grind for the movie of the same name. The country star made her acting debut in the 1980 comedy and wrote the song during filming. Along with her singing and songwriting skills, Parton even put her acrylic fingernails to work for the tune: Listeners can hear them as the rhythmic clacking of a typewriter! The spirited theme song earned Parton an Oscar nomination for best original song and two Grammy Awards, including best country song.

### IT Professionals Day

They pick us up when we crash, they're always putting in extra shifts ... basically, we just couldn't hack it without them! Give extra appreciation to everyone working in information technology on the third Tuesday in September, IT Professionals Day.

### A World of Words

Imagine studying a vocabulary list that's 1,000 words long. That's about how many words are added to the Merriam-Webster Dictionary every year. As language evolves, yielding new words and definitions of existing terms, experts study trends and usage so dictionaries can keep up with the times. If the Oxford English Dictionary is your go-to reference, study hard—they update every quarter, adding an average of 4,000 words a year.

### Bite Into Better Immunity

There may be some truth in the saying that an apple a day keeps the doctor away. The fruit's high levels of antioxidants and soluble fiber have been shown to help boost the immune system and fight certain diseases.

### The Air Force at 75

The U.S. Air Force turns 75 on Sept. 18, celebrating a long legacy of defending America's skies. In recognition of this milestone, the Air Force has declared their 2022 theme as "Innovate, Accelerate, Thrive ... the Air Force at 75."
