30-Second Mysteries

WHY

The Case

Nina and Maia are making a fortune in real estate. Even though Nina never breaks the law, she is sent to jail. Maia follows the same procedures as Nina with many of the same properties, but she never goes to jail.

The Mystery

Why did Nina go to jail and what is the maximum amount of time she could spend there?

Clues

Nina has been in jail before.

Nina never had a trial before she was instructed to go to jail.

Nina's sentence is the same for others in her circumstance.

Nina never leaves her home when she goes to jail.

Nina didn't collect any money on her way to jail.

Nina needs a good roll-not parole.

June's answer to the 30-second mystery is - Jim won the Belmont Stakes, and his killer was a veterinarian.

Congratulations to our June 30-Second Mystery Winner - Martha, Bleyl
