Popcorn Pick: 'Girl Happy'

The King goes on spring break in this 1965 musical romantic comedy. Elvis Presley plays Rusty Wells, a singer whose gig in Fort Lauderdale, Fla., includes being an undercover chaperone to a nightclub owner's daughter, Valerie (Shelley Fabares), a college coed on vacation. Despite the sun, sand and surf, Rusty gets little rest and relaxation between keeping Valerie out of trouble and falling in love with her. Along with many lively musical numbers, Presley performs the film's hit ballad, "Puppet on a String."

A Cheery Sight

Wearing a chest of bold orange feathers and chirping a cheery song, the robin is known as the herald of spring. This hardy North American bird is often a year-round resident that spends the winter roosting in trees to conserve energy. As the weather warms, robins become a more noticeable sight as they come out to search for food and begin nesting.

Famous Firsts: Academy Awards

Unlike today's spectacle, the first Academy Awards celebration in 1929 was a small affair with just 270 people. A private dinner at a Hollywood hotel honored the film industry's best in 12 categories, and the winners had been announced months earlier.

Lucky Charms

Do you have a lucky coin or a pair of socks that you believe brings you good fortune? You may be on to something. Studies show that simply believing a lucky charm works can boost a person's confidence, helping them perform a task better.
