National Dog Day

They steal our hearts and make us laugh. Some of the world's most memorable stars have been canines. Celebrate these "pup" culture icons on National Dog Day, Aug. 26.

Petey. The original pooch in "The Little Rascals" kid comedies had a partial black circle around one eye, which makeup artists completed with dye, giving him the distinctive look he's known for.

Pluto. Since 1930, Mickey Mouse's pet and faithful sidekick has entertained audiences with his silly facial expressions and playful personality.

Toto. Dorothy's loyal companion, who journeyed with her from their Kansas farm to a magical land in the classic film "The Wizard of Oz," was played by a black cairn terrier named Terry.

Snoopy. Sleeping on top of his doghouse, pretending to be a World War I flying ace, and writing stories on his typewriter are just a few of the quirky pastimes of Charlie Brown's pet beagle in the "Peanuts" comic strip.

Gidget. The small Chihuahua with the big personality starred in popular commercials for the fast-food chain Taco Bell in the late 1990s.
