Popcorn Pick: 'Paper Lion'

Those who can't play football, write about football, and then sometimes play anyway. The 1968 film "Paper Lion," based on the 1966 nonfiction book of the same name, charts the real-life adventure of participatory journalist George Plimpton as he sneaks his way through the Detroit Lions training camp. Alan Alda plays Plimpton and co-stars with the actual Lions coaching staff and players in this classic romp pitting the Harvard-educated intellectual against some of America's toughest professional athletes. During his colorful writing career, Plimpton also tried his hand at the New York Philharmonic, the circus trapeze and acting in a film starring John Wayne.

Age Doesn't Matter

"Age is something that doesn't matter, unless you are a cheese." —Billie Burke

Acorns Aplenty

With their familiar brown caps, acorns are the falling fruit of the oak tree. During late summer and early fall, the trees drop the nuts, and squirrels are often seen happily hoarding them. When there's a bumper crop of acorns, it's known as a mast year. Chipmunks, birds, deer and other wildlife that depend on the nutritious nuts can't eat all of them, leaving the excess acorns to grow into new oak trees.
