Did you know?

Winter is a season full of rich traditions that bring people together. In Sweden, families celebrate St.

Lucia's Day on December 13th with candlelight and sweet saffron buns. In Japan, people visit hot springs and celebrate the New Year with family meals and special decorations called kadomatsu. In Mexico, the festive season includes Las Posadas, a nine-day celebration with songs, candles, and community gatherings. Closer to home, many enjoy decorating, baking cookies, and watching classic holiday films. No matter where you're from, winter is a time for warmth, reflection, and shared joy.
