February Forecast

Feb. 2 is Groundhog Day, when the furry forecaster from Pennsylvania emerges from his burrow. If Punxsutawney Phil sees his shadow, it means six more weeks of winter. If he doesn't, then spring is just around the corner.

Celebrating Valentine's Day Together

Valentine's Day is a special time to celebrate love, kindness, and meaningful connections.

While it's often associated with romantic gestures, it's also a wonderful reminder of the importance of friendship, community, and the care we share with one another every day. This Valentine's Day, we would like to extend our warmest wishes to all our residents. May your day be filled with smiles, thoughtful moments, and a sense of belonging. We are grateful to be part of such a caring community and wish everyone a very Happy Valentine's day.
