## Welcome Spring

Spring is here, bringing warmer sunshine, blooming flowers, and a fresh sense of renewal.

It's a wonderful time to enjoy the outdoors, brighten our routines, and spend time together.

## Big Bear Eagles: Waiting for New Life

For the past year, many of us have enjoyed following the beautiful bald eagle pair, Jackie and Shadow, at Big Bear Lake California. This season brings exciting news- they are currently caring for two eggs and patiently waiting for them to hatch!

Bald eagle eggs typically hatch after about 35 days of incubation, so we are watching closely for the arrival of new eaglets. It's a wonderful reminder of spring's promise and the beauty of nature.

You can join us in watching the live nest camera in the Activity Room as we wait together for this exciting moment!

## Happy Birthday to our CW Residents

## Family Fun Day "Eggtravaganza"

We are excited to invite our residents and their loved ones to a joyful Family Fun Day Eggstravaganza at our community! Bring your children, grandchildren, and even great-grandchildren for a heartwarming day of laughter, connection, and springtime celebration. Saturday, April 4 from 11am to 1pm. There will be plenty of fun for everyone to enjoy! Children can participate in festive activities and a special Easter egg hunt. We'll also have delicious food and drinks for families to enjoy together.

This special day is all about creating sweet memories across generations. We can't wait to see our community filled with smiles, laughter and the spirit of spring.

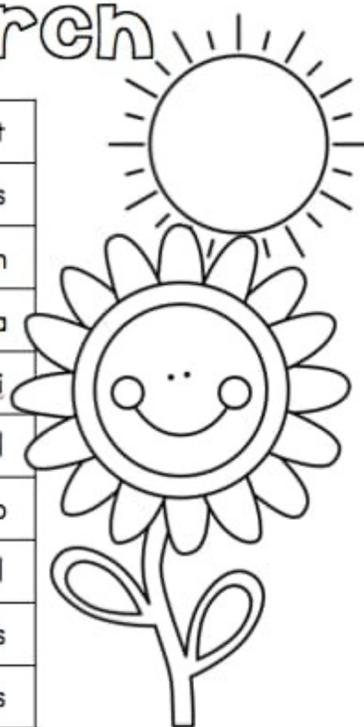

Please join us for this egg-citing celebration!
