Happy 250th Birthday, United States!

This year marks a historic milestone as the United States celebrates its 250th birthday! On July 4, 2026, our nation commemorates 250 years since the signing of the Declaration of Independence in 1776. This special anniversary is a time to reflect on our country's rich history, honor the sacrifices of those who came before us, and celebrate the freedoms we enjoy today.
