August 2026

You know you are in Arizona in August When

- * The birds have to use potholders to pull worms out of the ground.
 - *The trees are whistling for the dogs.
 - *The best parking place is determined by shade instead of distance.
 - *Hot water now comes out of both taps.
 - *You can make sun tea instantly.
 - * you learn that a seat belt buckle makes a pretty good branding iron!
 - *The temperature drops below 95 and you feel a little chilly!
 - *You discover that in August it only takes 2 fingers to steer your car.
 - *You discover that you can get sunburned through your car window.
 - *You actually burn your hand opening the care door.
 - *You break into a sweat the instant you step outside at 5:30am.
 - *You realize that asphalt has a liquid state.
 - *The Potatoes cook underground, so all you have to do is pull out one, wash it and add butter, salt and pepper.
 - *Farmers are feeding their chickens crushed ice to keep them from laying boiled eggs. LOL
 - *The cows are giving evaporated milk.
- Ahhhhhh, what a place to call home.
God Bless My State of ARIZONA!!

30 Second Mysteries

Where Case 17

The Case

A group of four comes together and follows a road they believe will lead to enlightenment. The group's leader brings along a trusted companion.

The Mystery

What is the name of the leader's companion and in what city does the road end?

Clues

- *All four members of the group sing.
- *You won't find the city on any map.
- *There are no signs on the road.
- *The leader's companion has four legs.
- *The city is named after a precious gem and the road is made of brick.
- *The leader and her four-legged friend aren't in Kansas anymore.

July 2026 answer to the mystery question is – Sue is an ice sculptor; her sculptures melt.
